Ingredients

Harissa Honey Glazed Carrots

- 2 bunches Dutch carrots, peeled with carrot leaves trimmed
- 1 tbsp extra virgin olive oil
- 1 tbsp harissa paste
- 3 tbsp [Capilano Organic Raw Honey](#)
- 2 tsp nigella seeds, toasted (or black sesame seeds)
- Salt and pepper, to serve

Charred Spring Onion and Feta Sauce

- 150g spring onions, ends trimmed
- Spray olive oil
- 100g Greek-style feta cheese, drained
- 1 cup packed cilantro leaves
- ½ cup packed parsley leaves
- 1 tbsp [Capilano Organic Raw Honey](#)
- Juice of ½ lemon
- 2 tbsp olive oil
- Salt and pepper, to taste

Method

1. Preheat oven to 200°C and line a baking tray with baking paper.
2. Spray spring onions with oil spray and evenly spread on baking tray. Roast for 20-25 mins until lightly charred. Cut into rough pieces and place in a food processor with all other sauce ingredients, blending until smooth. Allow to cool slightly, then chill in an airtight container until ready to serve.
3. To prepare carrots, combine the olive oil, harissa paste, honey, salt and pepper. Mix until well combined then reserve 2 tbsp of the mixture and set aside.
4. Toss carrots with remaining mixture and place on lined baking sheet. Roast for 20-25 mins until lightly charred on the tips.
5. To cook the cheese balls, heat 3cm oil in a large fry pan over medium-high heat. Fry balls in batches turning in the oil until golden on all sides (2-3 minutes). Remove and transfer to paper towel to drain.
6. To serve, spread ¼ cup of prepared green sauce on the base of a serving dish and top with warm carrots. Drizzle with reserved honey harissa mixture and sprinkle with nigella seeds to serve.

Used in this recipe

Organic Raw Honey

Smooth, sweet and fragrant, Capilano Organic Raw Honey is made by Aussie bees that have foraged native eucalypt and ground flora in Australia's pristine national parks and forests.

Discover a Premium Taste

Perfectly pure, this honey is delicious drizzled on toast, cereal, tea, smoothies and yogurt.

Australian Certified Organic

This exceptional honey has been hand harvested by Aussie beekeepers from hives located within a 5km organic foraging radius and carefully packed to organic specifications.
