Method

2. Place flour in a bowl and make a well in the centre. Pour the milk mixture into the flour and which until smooth.
3. Heat a large non-stick frying pan over low-medium heat. Add ½ teaspoon butter to the pan.
4. Dollop 5 - 7 heaped tablespoons of the mixture into the pan. When bubbles begin to form around the edges and the bottom is golden, flip the pikelets and cook for another minute until the other side is golden
5. Remove and repeat with remaining pikelet batter. To serve, combine honey and sifted cocoa powder, mix well until smooth. Dollop onto pikelets and top with fresh fruit, granola and chia.
