Method

2. Sift flour, spices and bicarbonate of soda together and add to creamed mixture. Stir with a wooden spoon until combined. Use your hands to gather into a firm dough.
3. Knead lightly, then divide into 2 discs. Wrap each disc in plastic wrap and refrigerate for 1 hour.
4. Preheat oven to 170°C. Line 2 large baking trays with non-stick baking paper.
5. Knead one disc until smooth. Roll out on a floured board to 3 mm thick. Use a variety of Christmas cookie cutters (we used a 12cm high cutter) to cut shapes. Use a small spatula or butter knife to help carefully transfer the shapes onto the prepared trays 2cm apart. Gather scraps and re-roll to make more shapes.
6. Bake for 8-10 minutes or until golden, swapping shelves halfway through cooking time. Stand on trays for 10 minutes, then carefully transfer to a wire rack to cool completely. Repeat with remaining dough.
7. Decorate and store gingerbread in an airtight container for up to 1 week.
